The WPUSD Independent Study Program is governed by Board Policy 6158. Independent Study is an optional educational alternative in which no student may be required to participate. This Master Agreement is good for one academic year.

**Proposed Course of Study:**

We understand that the student is to complete subjects/course listed below, and that course objectives reflect the curriculum adopted by Western Placer Unified School District's governing board and are consistent with the district standards. Subject specific course agreements will be developed for each course specifying objectives, activities/assignments, method of evaluation and credits. These course agreements will be part of the Master Agreement. The Assignment and Attendance Form is incorporated in, and made part of, this agreement and includes additional descriptions of assignments, activities, resources, and evaluation.

**Reporting:**

We understand that students are required to report to their teachers as scheduled:

Day(s) of Week: \_\_\_\_\_ Time: \_\_\_\_\_ Frequency: \_\_\_\_\_ Place: \_\_\_\_\_ Manner: \_\_\_\_\_

We understand the maximum length of time which may occur between the date an assignment is made by the teacher and when it is due, is one week for all grade levels. However, when necessary, based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement.

We understand that banked or make-up work is not allowed.

**Resources:**

I understand that independent study is equivalent in quality and quantity to classroom instruction. Western Placer Unified School District will provide teacher services, instructional materials, and resources that other district students receive.

Western Placer Unified School District offers optional enrichment workshop classes, which are voluntary on both the school's and parent's part. Either the school or the parent may decide that it is not in the best interest of the student to attend these classes and it will not have an impact on the student's ability to earn credits for assigned courses.

**Voluntary Statement:**

Independent study is an optional education alternative that I have voluntarily selected. By entering the independent study program, I have not waived any rights as a student.
